

STUDENT APPLICATION CHECKLIST 2018

www.breakthroughhouston.org

Breakthrough Houston is a select program and you have been invited to apply.

Welcome to the application process! We are thrilled that you are interested in applying to Breakthrough Houston (BTH). At BTH, middle-school students develop academic and leadership skills. All classes are taught by outstanding high-school and college students. **Breakthrough Houston is FREE!** Students make a commitment to attend the middle-school, six-week summer sessions and the School-Year Program for **three years**. Once you have moved on to high school, you become part of the **Breakthrough Houston College Bound Program**. The College-Bound Program is an additional four-year commitment where you will be supported in your preparation for college. In addition to the summer and school-year program, the college-bound program offers many opportunities for college preparation, job opportunities, and enrichment programs all over the country, as well as networking with college-bound high-school and college students. Participation in the College-Bound Program is part of the six year commitment to BTH.

To fill out this application packet, you need to complete several steps. Please follow the directions carefully. We need all of this information to help us make an informed decision about whether BTH would be a good program for you. Use this checklist to help you complete your file. **KEEP THIS PAGE and use it to make sure everything is turned in on time. Check off each step once completed.**

1. STUDENT APPLICATION

Complete the **STUDENT STATEMENT**, **short answer questions 1 – 3**, and the **STUDENT ESSAY** in your own handwriting. Be sure to use a blue or black pen, not pencil. We suggest you do a *rough draft* on a separate piece of paper and show it to an adult or older person before you fill out the final application.

PLEASE ENCLOSE A SMALL PICTURE WITH THE APPLICATION.

2. COMMITMENT CONTRACT and EMAIL AGREEMENT

With signatures and email addresses.

3. PARENT/GUARDIAN STATEMENT

Have your parent(s) or guardian(s) complete the **PARENT SECTION**

4. FREE AND REDUCED LUNCH ACCEPTANCE + PARENT/GUARDIAN INCOME STATEMENT

We need **a copy of your free and reduced lunch acceptance** (which you can get from your school office) **AND a copy of your parent or guardian's income tax return (1040) or W-2** with your application.

To qualify for Breakthrough Houston, you must be qualified for free or reduced price lunch.

5. COUNSELOR OR PRINCIPAL FORM

Have your parent/guardian complete the **COUNSELOR OR PRINCIPAL FORM** and you take it to the school Counselor or Principal.

6. TEACHER RECOMMENDATION FORMS

Have your Math and English teachers complete the **TEACHER RECOMMENDATION FORMS**

FREQUENTLY ASKED QUESTIONS

What is Breakthrough Houston?

Breakthrough Houston is a member of the Breakthrough Collaborative. It is a tuition-free, year-round academic program for promising middle- and high-school students from educationally underserved backgrounds. The program consists of school-year Saturday enrichment sessions and a six-week, intensive summer session, which begins the summer after a student's sixth grade year. After middle school, Breakthrough high-school students participate in a Saturday program which includes PSAT/SAT prep classes, career counseling, college trips and much more.

Who are the Breakthrough students?

Students just like you! Breakthrough students come from many different backgrounds. They share a love of knowledge and desire to go to college. Breakthrough students strive to do their best and are always open to new ideas.

What kind of students apply to Breakthrough?

Motivated 6th graders are eligible to apply. You must have good behavior, above-average grades, and a strong desire to attend college-preparatory high schools and college after high school. Breakthrough students are willing to make a commitment to their education. They love learning and new challenges.

Who are the Breakthrough teachers?

All the teachers are exceptional high-school and college students who enjoy sharing their time and ideas with younger students. With the help of the program's directors, deans, and mentor teachers, the student-teachers make lesson plans that are fun and engaging.

What is the cost?

Breakthrough is **tuition-free**. There is **NO COST** to you or your family. Breakfast and lunch are also provided for free during the summer.

The only cost is your **6 year commitment** to the program.

What is the commitment?

This is a six-year program. Your personal and family commitments should be scheduled around Breakthrough for the first three years. Middle school students attend the School Year Program on Saturdays. 7th, 8th, and 9th graders attend the summer program. Once you are in high school, we expect that you will be involved in activities at your school.

But, we still have a Saturday program during the school year that includes tutoring, mentoring and informational seminars about summer jobs, interviewing skills, and the SAT/ACT!

How should I fill out the application?

The application should be handwritten **in pen, not pencil**. You must complete the Student Application by yourself. Your parents have their own application. Remember to write a rough draft of your essays first, and then write the final draft on the application so that we can see your best writing. You will also need recommendations from your Math and English teachers.

What happens after I apply?

An admissions committee reviews the applications. You are required to take placement tests on **Saturday, March 3, from 9AM to 11:30PM**. Once a decision has been made, a letter will be mailed to you. Information about acceptance will not be given over the phone.

What are classes like?

A former Breakthrough student said, “It’s a program that will challenge your mind, while you have fun...” Students take four core classes: Literature, Science, Math, and Writing. Along with our core curriculum, students take activities and electives. There are no more than twelve students per class so that students receive individual attention. All classes have “hands on” activities. Imagine dissecting a cow’s eye, writing a newspaper, or holding a poetry slam!

Are we in class all day?

No! In the afternoon, students have an opportunity to explore new activities or ones they already enjoy. Past courses include Mock Trial, Film, Graffiti Art, Dance, Speech and Debate, and many more. There are also exciting field trips and special events, such as Olympics Day, Career Day and Service Learning.

What about homework, tests, and grades?

Homework and tests are essential to learning. **On average, Breakthrough students complete two hours of homework a night during the Summer Program.** The teachers design assignments and tests that are thought-provoking. There are no final grades. Instead, students receive written evaluations from their academic teachers.

Is transportation provided?

During the summer, bus transportation is provided for students living within HISD. You and your family are responsible for providing transportation to the School Year Program. Car pools are worked out for students who have a hard time getting to the SYP.

Who gets accepted into Breakthrough?

Admission to Breakthrough Houston is selective. The goal of the admissions committee is to select committed, motivated students who are economically disadvantaged and ethnically diverse. There is no specific quota per public school. You should not be upset if you do not get a space; instead, be proud that you took the risk to apply.

When are applications due?

February 14, 2018. Applications received at school must be completed and returned to your school representative. If you received your application in the mail or on-line, please mail it back to the address below. We do NOT accept faxed copies.

Deadline for all applications is:

ANSWER THE FOLLOWING QUESTIONS:

(Please complete these questions in complete sentences. Do this section on your own. Write in blue or black ink.)

1. What are your favorite things to do outside of school (hobbies, special interests, etc.)? Why do you enjoy them?

2. If there was one life adventure you could experience, 1) what would you do and why, and 2) where would you go and why? *Please answer all parts of the question.*

3. What are three personal qualities/strengths, and how do you see those qualities as being important in your path to college?

STUDENT ESSAY

Question: All of us face challenges in life. One challenge might be making new friends. Another might be learning how to play a sport or a musical instrument. Another might be a problem within your own family situation. In a well-developed composition, describe a challenge that you have faced. What lesson did you learn? Support your ideas with examples and details.

To write this essay: 1) Write a rough draft first. 2) The essay should be 2-3 paragraphs. 3) On this section, it is okay to have someone check your essay for grammar and spelling, but the **ideas, writing, and words** should all be yours. 4) You have the space below to write your essay. You may attach additional sheets. 5) Write your final essay in blue or black pen. **Show us your very best writing!**

EXPRESS YOURSELF!

Please use this box to tell us about yourself. Fill it up—Use your creativity! Put anything here: drawings, poetry, math equations, write a rap, put in photos, write a song or anything else that expresses you.

6 YEAR Commitment Contract

Breakthrough Houston makes a six-year commitment to your family, and we expect the same from you. Please review the Six-Year-Commitment Chart, and the email expectation agreement below. If you agree to the commitments required, sign below.

Email Expectation Agreement

Breakthrough Houston uses the internet more and more each year. We find it's the quickest and most reliable way to communicate with students and families, and we're saving the environment! **We require that each new family has at least one email address and checks it at least once per week.** Even if you do not have the internet or a computer at your home, it is available for free at schools, libraries, and possibly your place of employment. You can create a free email account at yahoo.com; gmail.com; hotmail.com or many others. By signing below, you agree to maintain email contact with us for the next six years. If your email address (or any other contact information) should change, you will notify the BTH office so we can update your file.

My family understands the commitment that we're making to Breakthrough Houston and that BTH is making to our family. We're committed to our success with the program and we'll do everything we can to uphold our end of the agreement.
